Thank you for a great start to the school year. All Secondary year levels have finished our induction process – where students are reacquainted with our college expectations. We have also introduced the new Government directed Mobile Phone Policy, where there is no student mobile phone use during school hours (please see the full policy on our website). This policy aims to cut down on cyber bullying, sexting and harassment; and general classroom disruptions. It also aims to reduce the stress of continual online time and increase positive social interactions. We appreciate all of the families that are supporting this, and teachers are reporting that students are much more settled and interactive in their learning.

This is also a time when secondary students are supported to look at their home study schedules and how to balance home life with this work.

Students are reminded that home study should include:

- Directed homework from their teachers
- Reading
- Revising over completed work

To assist students with this, we now have a staffed lunch time homework space in the Victoria building. Students may volunteer to attend, or be sent there if they are falling behind.

Our staff gave excellent feedback about the Curriculum Day Presentations from behaviour management consultant – Greg Mitchell and the Life Changer Group. Greg is currently working with Year 7 teachers to ensure positive relationship building and has also commented on how settled our students have been.

Teachers should also be building Word Walls with their classes, so please ask your child about the important vocabulary they are learning for each subject.

During this time, we are also experiencing an influx of new enrolments. It's great to hear from new students that they've been quickly welcomed and have been impressed by the fact that there's so many activities to do at Manor Lakes.

We welcome all new families to the Manor Lakes community and hope you enjoy the articles below.

## WEYA Production

The Manor Lakes College and WEYA production will be starting on Thursday the 20<sup>th</sup> February 2020 in the Amadeus Hall at 3pm and runs until 4.30pm every Thursday.

This is a unique opportunity for students to participate in a cultural activity which helps build confidence and public speaking skills. This will give students the chance to both meet their peers and create a sense of community within the school.

This is a 20 week, school-funded opportunity which will end with a school play, presented in the first half of the third term.

For more information contact Miss Hagerty through Compass.

## Rugby Academy News

Melbourne Storm is excited to be supporting the Manor Lakes Rugby League Academy program for 2020.

Not only will staff and, importantly, students wear the Storm brand on their apparel but the Club is considering ways it can support the Academy program on and off the field.

## VCAL Jewellery Making

VCAL are starting an exciting new business this year. We will be making and selling Jewellery.

We are going to try and recycle as much as possible!!

Items we are looking for:

- Old/broken/out of fashion jewellery that can be taken apart and reused.
- Cutlery that can be made into jewellery (spoons/forks) preferable with patterns or interesting shape. Old silver is fantastic!
- Souvenir spoons that can be made into rings
- Any other jewellery making supplies that people may no longer want – beads, wire etc

The macramé plant hangers will also be back, if anyone has any big beads or macramé type supplies we can also use these.

We also need a couple of small bench vices if anyone has one they don't want anymore?

Items can be dropped off at either the Burley Griffin or Victoria Offices or students have hand in at Hume.

Thanks for your support and for looking after the environment and recycling.

*Leeanne and the VCAL Jewellery Business*

## Notifying the School of Absences

Please remember to call the school on 9741 4202 or email [manor.lakes.p12@edumail.vic.gov.au](mailto:manor.lakes.p12@edumail.vic.gov.au) or log your child's absence electronically via Compass, if your child is going to be away or late for school so your child's absence can be recorded correctly.

Notifying the school of your child's absence either prior to, or on the day that they will be away, helps ensure the safety and well-being of children and will fulfil your legal responsibility.

This system also promotes daily school attendance. Going to school every day is the single most important part of your child's education, they learn new things every day – missing school puts them behind.

If you are concerned that your child is home for reasons not related to illness or family commitments, and you would like someone at the college to assist you, please do not hesitate to ring the college.

The Manor Lakes College Attendance Policy which outlines the school's processes and procedures for monitoring, recording and following-up of student absences is available on our website <https://www.manorlakesp12.vic.edu.au/policies>

## Interested in a career with the Victoria Police?

Victoria Police are currently in the midst of their biggest recruitment drive ever. They are looking to recruit over 3,000 new Police Officers by 2021, so there's never been a better time to consider a career in policing!

Victoria Police has four different roles available for students who might be interested in pursuing a career in policing.

- Police Officer
- Protective Services Officer
- Police Custody Officer
- Victorian Public Servant

For a brief overview of each role, watch this recruitment video - <https://bit.ly/2KU6P4w>

### Experience and attributes the Force is looking for

Not every 18-year-old will be ready to apply but those who are gathering life experience whilst they are in high school will be more competitive throughout the recruitment process.

For example:

- **Part-time work experience** in a customer service environment - provides exposure to people of all works of life and develops communication, teamwork and conflict resolution skills. For example, working at McDonalds one day a week.
- **Volunteer experience** - develops a sense of community-mindedness and communication skills. For example, working at the local surf life saving club or community centre.
- **Sporting club experience** - develops teamwork, communication and leadership skills, not to mention the healthy level of fitness that is a requirement of the role.
- **Overseas travel** - provides exposure to other cultures, religions and languages and fosters a sense of independence and assertiveness.
