Firstly, I'd like to thank all the families who were able to attend our **VCAL/VCE Information Evening**. Despite the down-pour – it was a really great turn out. Year 12s were also able to pick up their Year 12 jackets, which are looking amazing. For any more orders – please contact Year 12 Year Level Coordinator (YLC) - **Stuart Hay**.

Another great event was the **Year 10 MacBeth Incursion**. Well done to our English team for helping our students get a deeper understanding of texts through performing arts.

Students interesting in being involved in our **school production** with Western Edge Youth Arts (WEYA) – are invited to join each Thursday from 3:10pm-5:00pm in the Amadeus Hall. The first session, last week, attracted approximately 80 students! Remember, even if you're not an actor – you can still join as a script writer, costume/set designer or a back stage helper.

I'd also like to thank all staff that have opted to work with students and supervise a **lunch club**. Please see the availability below. This is a great way for students to meet likeminded peers from all classes and secondary year levels.

Unfortunately, the Secondary section of our school is experiencing a bit of a **litter issue**, with many students dropping their rubbish – instead of taking it to one of our many available bins. I'll be working with the Environmental Club, Student Representative Council and our staff, to see how we can promote the right behaviour and respect for our new grounds. We'd love families to discuss the environmental impacts at home, and look at ways on cutting down plastics in their lunch and snack packs.

A reminder to students and families of our **Behaviour Flow Chart and Matrix**. This does not apply for Level 3 behaviours – such as mobile phone use or fights. If families have any queries about this – please do not hesitate to contact your child's Year Level Coordinator or Head of School.

P-12 Positive Behaviour Matrix

MLC Hear Me

School should be a safe place to learn. When we feel threatened or worried about our relationships with our peers our emotional state can be affected. This makes it difficult to learn and to maintain positive relationships with other students and our teachers. It's important you reach out and ask for help. We know that this is not always easy.

The college is offering a convenient and private way for you to seek support.

MLCHEARME@manorlakesp12.vic.edu.au is an email address that will be checked regularly. Here, you can email wellbeing staff your worries and concerns and we can work to prevent further incidences and support students who need it. You can also let us know if one of your friends is struggling with bullying behaviours.

Lets all work together to solve this problem.

VCE SAC Requirements

If a VCE student is absent on the day of a SAC, they have two weeks in which to provide a med cert/stat dec for their absence. If a med cert/stat dec is received within that time frame, a suitable time will be organised to complete the SAC and receive a score. If a med cert/stat dec is NOT provided, the student will still need to complete the SAC but will receive only S or N, no score. Documentation for absences can be handed to me or left on my desk and I will note this on Compass.

This is in line with VCAA guidelines. If it is an extended absence, please contact me to arrange special provisions where appropriate. If you need further clarification, please contact me to discuss individual scenarios.

Thanks

Secondary School Vaccine Program

The Secondary School Vaccine Program offers free vaccines to Year 7 and 10 students. These vaccines provide protection against:

- Diphtheria, tetanus and pertussis (whooping cough) – one dose for year 7 students
- Human Papillomavirus (HPV) – two doses for year 7 students
- Meningococcal A,C,W,Y – one dose for year 10 students

Parents/guardians of year 7 and 10 students should look out for the vaccine consent card booklet coming home from school with your child. You need to read the information, complete and return the card regardless of whether your child is being vaccinated at school.

The Wyndham City Council immunisation service may contact you about the Secondary School Vaccine Program. Schools are authorised to provide basic parent/guardian contact details to local councils for this purpose. Contact the school by 28 February 2020 if you do not want your contact details given to the Wyndham City Council immunisation service.

To learn more about the Secondary School Vaccine Program, the vaccines, the diseases they protect against, or how you can prepare your child for vaccination, go to betterhealth.vic.gov.au

Additionally, the Commonwealth government is funding vaccinations for all children under 20 years of age who missed any scheduled vaccines, including a catch up program for Meningococcal ACWY vaccine for adolescents aged 15-19 years of age who have not already received the vaccine in school. If students have missed vaccines, either in childhood or adolescence, and require catch-up vaccines, they should speak with their immunisation provider. (ie. local council or GP).

Rugby Academy News

Melbourne Storm is excited to be supporting the Manor Lakes Rugby League Academy program for 2020.

Not only will staff and, importantly, students wear the Storm brand on their apparel but the Club is considering ways it can support the Academy program on and off the field.

VCAL Jewellery Making

VCAL are starting an exciting new business this year. We will be making and selling Jewellery.

We are going to try and recycle as much as possible!!

Items we are looking for:

- Old/broken/out of fashion jewellery that can be taken apart and reused.
- Cutlery that can be made into jewellery (spoons/forks) preferable with patterns or interesting shape. Old silver is fantastic!
- Souvenir spoons that can be made into rings
- Any other jewellery making supplies that people may no longer want – beads, wire etc

The macramé plant hangers will also be back, if anyone has any big beads or macramé type supplies we can also use these.

We also need a couple of small bench vices if anyone has one they don't want anymore?

Items can be dropped off at either the Burley Griffin or Victoria Offices or students have hand in at Hume.

Thanks for your support and for looking after the environment and recycling.

Leeanne and the VCAL Jewellery Business

Notifying the School of Absences

Please remember to call the school on 9741 4202 or email manor.lakes.p12@edumail.vic.gov.au or log your child's absence electronically via Compass, if your child is going to be away or late for school so your child's absence can be recorded correctly.

Notifying the school of your child's absence either prior to, or on the day that they will be away, helps ensure the safety and well-being of children and will fulfil your legal responsibility.

This system also promotes daily school attendance. Going to school every day is the single most

important part of your child's education, they learn new things every day – missing school puts them behind.

If you are concerned that your child is home for reasons not related to illness or family commitments, and you would like someone at the college to assist you, please do not hesitate to ring the college.

The Manor Lakes College Attendance Policy which outlines the school's processes and procedures for monitoring, recording and following-up of student absences is available on our website <https://www.manorlakesp12.vic.edu.au/policies>

SECONDARY SCHOOL ENROLMENT PRIVACY COLLECTION STATEMENT

Privacy information for parents and carers

During the ordinary course of your child's attendance at our school, school staff will collect your child's personal and health information when necessary to educate your child, or to support your child's social and emotional wellbeing or health. Such information will also be collected when required to fulfil a legal obligation, including duty of care, anti-discrimination law and occupational health and safety law. If that information is not collected, the school may be unable to provide optimal education or support to your child, or fulfil those legal obligations.

For example, health information may be collected through the school nurse, primary welfare officer or wellbeing staff member. If your child is referred to a specific health service at school, such as a Student Support Service officer, or school-engaged psychologist, the required consent will be obtained.

Our school may use online tools, such as apps and other software, to effectively collect and manage information about your child for teaching and learning purposes, parent communication and engagement; student administration; and school management purposes. When our school uses these online tools, we takes steps to ensure that your child's information is secure. If you have any concerns about the use of these online tools, please contact us.

School staff will only share your child's personal or health information with other staff who need to know to enable the school to educate or support your child, or fulfil a legal obligation.

When our students transfer to another Victorian government school, personal and health information about that student will be transferred to that next school. Transferring this information is in the best interests of our students and assists that next school to provide optimal education and support to students.

In some limited circumstances, information may be disclosed outside of the school (and outside of the Department of Education and Training). The school will seek your consent for such disclosures unless the disclosure allowed or mandated by law.

Our school values the privacy of every person. When collecting and managing personal and health information, all school staff must comply with Victorian privacy law. For more information about privacy including about how to access personal and health information held by the school about you or your child, see our school's privacy policy: <https://www.education.vic.gov.au/Pages/schoolsprivacypolicy.aspx>

Throughout this notice, 'staff' includes principals, teachers, Student Support Service officers, youth workers, social workers, nurses and any other allied health practitioners and all other staff at our school. This includes employees, agents and service providers (contractors) of the Department, whether paid or unpaid.

WEEKLY CAREER NEWS

Tuesday 25 February 2020

Journalism opportunity

Applications for the 2020 YMCA Victoria Youth Press Gallery are now open! If you're a young aspiring journalist, aged 16-25, this is your opportunity to build a portfolio, get published, develop your journalism skills and work closely with a team of people who share your passions.

Participants will serve as the Press Gallery for YMCA Victoria Youth Parliament by writing articles about the program and the issues being debated. Applications close Sunday, 29 March. Email any questions and your completed application pack to pressgallery@ymca.org.au Download the application pack here: <https://bit.ly/37SwSS5>

Careers in Insurance

Have you considered a career in Insurance? As one of the biggest, most diverse industries in the world, insurance has more roles than you'd imagine – including ones that are perfect for you. Love numbers? You're needed. Love people? Insurance has roles for you. Analytical? A big thinker? A problem solver?

Whatever you are, insurance has a job with your name on it. To learn about where a career in insurance can take you, check out the website 'Careers in Insurance' at this link - <http://bit.ly/2FaCbSZ>

Artificial Intelligence (AI) and apprenticeships

AI will transform the way we work across all industries in the future. For example, more than 5 million jobs will disappear from manufacturing and customer service by 2020. Can apprenticeships help young people make a smooth transition to new jobs created by AI?

According to the World Economic Forum it's believed they can. There are new jobs and skills to be learned, with employers driving the change. See examples at this link - <http://bit.ly/2HkuHo5>

CAREER APPOINTMENTS

As above for term 1. You can also start to refine your career action plan, plan for Term 2 dates and events and continue to explore suitable university courses.

CAREER EVENTS

As for term 1. Check the Weekly Career News for term 2 career events.

WORK EXPERIENCE

Speak to your Work Experience Coordinator or Career Adviser about undertaking work experience.

TERM 3

Uni applications, scholarships, accommodation, special consideration, early entry and open days

UNIVERSITY APPLICATIONS

In August you will be able to start your university applications. For most universities, you apply for courses via the state-based tertiary admission centre:

Victoria: Victoria Tertiary Admissions Centre, www.vtac.edu.au

NSW/ACT: Universities Admissions Centre, www.uac.edu.au

Tasmania: University of Tasmania, www.utas.edu.au

SA/NT: South Australia Tertiary Admissions Centre, www.satac.edu.au

WA: Tertiary Institutions Service Centre, www.tisc.edu.au

QLD: Queensland Tertiary Admissions Centre, www.qtac.edu.au

You will create a user account, and add course preferences into the system.

It's important to note that for most courses, you won't need to finalise your preferences until after your Year 12 results are released.

Some courses such as medicine and performing arts will have earlier closing dates.

'Timely applications' usually close at the end of September and you will need to pay an application fee.

UNIVERSITY SCHOLARSHIPS

You will be able to apply for university scholarships through three ways:

Tertiary Admission Centre: You can apply for Access and Equity scholarships via an online form (for some states).

University: You can apply for scholarships direct to the universities.

Other: you can also apply for scholarships that aren't associated with any particular university.

The application period for scholarships can run between August – March. Dates will vary for each method.

ACCOMMODATION

You can apply for university accommodation generally between July – January. There are several types of accommodation including on-campus, off-campus, private student housing, home stay, etc.

Dates will vary based on the type of accommodation and the universities you apply to for on-campus accommodation.

Some universities have a first-year accommodation guarantee, others have a 'first in, first served' policy, some hold places for rural applicants, some charge you for applying. Every university is different.

SPECIAL CONSIDERATION

When you apply for courses via the Tertiary Admission Centre, you will also be able to apply for special consideration.

Universities will consider any disadvantages you have experienced and take these into consideration during the selection process. The following are examples of two schemes:

Victoria, Special Entry Access Scheme, <https://bit.ly/2v9dWkV>

NSW/ACT: Educational Access Schemes, <https://bit.ly/380b0b8>

Examples of disadvantage include: long term illness/disability, financial, rural, and difficult circumstances.

OPEN DAYS

Will run on weekends during August for Victoria and during August/September for NSW and Canberra.

It's crucial you attend open days before making a final decision on your course preferences. You will be able to attend seminars and workshops, campus and accommodation tours, and speak directly to course and faculty advisers.

EARLY / GUARANTEED ENTRY SCHEMES

Schemes for several universities will open in August, such as RMIT, Victoria University, University of Melbourne, Monash University, University of Wollongong, University of Canberra etc.

TERM 4

Results, change of preference, offers, enrolment/deferment

RESULTS

You will receive your VCE/HSC results late December. Your results will be sent to the universities you've applied to.

CHANGE OF PREFERENCE

Once you receive your results, you will have a few days to change your course preferences before offers are released. For most courses, you will be able to add/delete/re-order courses on your list.

You will also be able to change your preferences between offer rounds. Dates will vary between states.

OFFERS

There will be several offer rounds for each state. Offers are made late December for Victoria and NSW/ACT and then again in January and February. It's important to note the following:

You can only receive 1 offer per round

If you receive an offer, it will be the highest course on your preference list you are eligible for.

The Tertiary Admission Centre acts as a link between you and the university through the selection and offer process.

OFFER DECISION

Once you receive your offer, you will need to make a decision – you can accept, defer or decline your offer. If you accept your offer, you will need to enrol into your course.

If you defer your offer, you can delay the start of your course to another intake period (usually 12-months). Your career adviser can assist you with this process.

Focus on the Bachelor of Arts

Considering studying a Bachelor of Arts in the future?

The Bachelor of Arts is an excellent choice of degree for students and one of the most popular choices in the country.

The degree offers flexibility for students and majors/minors can cover areas such as science, economics, visual arts, IT, languages, humanities, media, communications, and design etc.

In fact, sit 10 Bachelor of Arts students at a table and each will most likely be studying very different courses.

The following are three excellent Bachelor of Arts programs to consider.

Bachelor of Arts (Professional), Swinburne University

This course offers 18 majors, 28 co-majors from other faculties and 42 minors. Students are guaranteed one-year of paid industry experience as part of the degree, and it will take 4-years full time to complete the course. Applicants will need to achieve an ATAR of approximately 80 to be considered for admission. This could rise for the 2021 intake, <http://bit.ly/1UTb3pZ>

Bachelor of Arts, Monash University

The Monash Global Immersion Guarantee (GIG) provides a guaranteed two-week overseas study experience for all first year Bachelor of Arts and Bachelor of Global Studies students, with the cost of airfares, accommodation and local travel covered as part of the program. This is the first initiative of its kind in Australia.

Students will study the impact of the global movement of people and goods on environmental sustainability. For information, visit <https://bit.ly/37ThuFk>

Bachelor of Arts, La Trobe University

This course offers 50 majors and minors – the largest in Victoria. Bachelor of Arts students are able to apply for a 2-week funded international experience to China or Vietnam.

They will spend a week working on sustainability projects, helping to find solutions to real-world problems. La Trobe will cover the cost of airfares, accommodation, food, transport, visa fees and insurance. For information, visit <https://bit.ly/32x6D1T>

Federation University

Federation graduates rated highly by employers

Federation University Australia graduates once again have demonstrated their strong employability by performing above the national average in three important fields as part of the latest Employer Satisfaction Survey – employability, foundation skills, and adaptive skills, <https://bit.ly/2HPB8ax>

Australian Federal Police signs MOU with Federation University

The Australian Federal Police (AFP) will be working with the Internet Commerce Security Lab (ICSL) to establish a cybercrime internship program for students studying in School of Science, Engineering and IT. The internship program will provide opportunities for students to work with Australian Federal Police officers to learn about Cyber Crime investigation in a real-world environment, <https://bit.ly/3c1Entg>

Elite Sport Programs

The University of Wollongong has partnered with two of the world's biggest sporting clubs, Tottenham Hotspur and Crusaders to deliver world class football and rugby programs to UOW and UOW College students.

The UOW Tottenham Hotspur Global Football Program is a unique opportunity to study a qualification of your choice at UOW's Wollongong campus, while also developing your football skills with training provided by fully qualified coaches from English Premier League (EPL) club Tottenham Hotspur, <https://bit.ly/2w2elpa>

Commencing in February 2021, **The UOW Crusaders Global Rugby Program** will foster the next generation of Rugby Union talent, helping participants achieve excellence on the field and in the classroom. It is your opportunity to receive professional standard coaching from the most successful Club in Super Rugby, while studying at a globally rated 5-star university.

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

MORE INFORMATION

For more information about the CSEF visit
www.education.vic.gov.au/csef

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

If you applied for the CSEF at your child's school in 2019, you do not need to complete an application form in 2020 unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- new student enrolments; your child has started or changed schools in 2020 or you did not apply in 2019.
- changed family circumstances; such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2020.

Check with the school office if you are unsure.
