Shoutouts

Year 7

- Alex Lockwood – Brilliant work in Literacy, answering all class discussion questions confidently, working quietly, getting all work done for his informative report to a high standard.
- Winston Ku – Helping others with key Maths concepts.
- Ateem Maker – Always aiming high during Maths classes.
- Mark Kirbizhekov – Putting in effort in learning math, continuing to correct his misconception and make progress.

Year 8

- Piper Whiting – Fantastic work in Mathematics. You are consistently working hard and challenging yourself to learn. Keep up the great work.
- Ashton Gillett – Resilience at completing Geography Sketching.
- Amomai Tamati – Demonstrating naturalistic geography sketching.
- Jayden Valencich – Good work in Wood Technology.

Year 9

- Nesibu Awole – Good work in Maths.
- Mina Franze – Aiming high in Maths.

Year 10:

- Nathan Briffa – Excellent engagement in Pre-VCE PE and sharing answers and ideas in class discussions.

Year 11:

- Victor Muhindo – Encouraging other students to make better choices in the yard and in classrooms.
- Hanny Ephrem Salim – Sharing responses in PE and engaging in class discussions.
- Haylee Vesel – Sharing responses in PE and engaging in class discussions.

Year 12

- Emmanuel Majok Kuol – Consistently applying himself to Legal Studies and improving his knowledge
- Krishane Garcia – Consistently engaging in HHD class discussions, sharing responses with the class and seeking feedback in order to make improvements.

VCAL

- Jack Wilson - Outstanding effort with iVET work skills.

BRAVE GIRLS MAKE GRAND FINAL

On Thursday July 21 our senior girls competed in the Western Metropolitan Region AFL competition. Unfortunately, the girls were two players short of a full team and had no interchange, however the weather made up for it and the girls' spirits were as bright as the sunshine!

We won both games in our pool, beating Western Heights and Gisborne, taking us into the grand final against Strathmore.

Unfortunately, one of our girls went down with a rolled ankle in the last few minutes of our game against Gisborne but she was able to push through and put on the boots for the final – AND SHE KICKED A GOAL. Well done to Brooke Rousch!

Strathmore presented a very competitive team and it was a tough game considering they had fresh legs and five interchange players! We finished runners-up and we are super-proud of this achievement.

A special shoutout to our Year 12 girls for their efforts on their last interschool sport day, and to our captain, Kyleisha Kinces, for leading the team.

Great work, girls.

Mackinlay Stirrat
HAPE Curriculum Area Leader
Health & Physical Education Teacher

STRONG HOOPS FORM

The Year 8 boys and girls participated in basketball competition on Friday July 22.

The boys lost their first game against Hoppers Crossing but won the next two games in their group, to just miss out on advancing to the grand final.

The girls went 3-0 in their group through fantastic performances from every player. They played in the grand final against The Grange and lost unfortunately.

All the students represented Manor Lakes proudly and played their hearts outs.

A big shoutout to Aluk Kuol, Madi Boxshall and girls' captain Peyton Jarosz for leading their team all the way into the grand final, and to Cory Busutil and co-captains Leon Hume and Cruz Dixon for leading their team with strong performances.

Mr Matsubara and Joe Diamond

BYE, TAB – YOU'RE FAB

Departing teacher Tab Hehir with Year 11 students Olivia Alvaro, Cara Cormick and Natasza Evans-Wegrzyn.

By Cara Cormick

This week we farewelled an amazing teacher, Tabatha Hehir. An English and Humanities teacher, "Tab" has worked at Manor Lakes College for six years, helping students with their education and running the Crochet Club.

Tab is moving on to Bacchus Marsh College, where she spent 26 years as a student and then following on to be a ES/ teacher there before coming to Manor Lakes.

Tab is a much-loved teacher students could go to if they needed help with work or personal issues. So saying goodbye is hard. She'll miss everyone and we'll miss her!

Hope you enjoyed my 'sociology experiment', wasn't really a experiment I was getting students to sign you card!

Teaching colleague Nicole Grigson said: "Tab has been the biggest help to me as a teacher, supporting me through resource development and wellbeing management. She has always been such a dedicated teacher, and friend, and I wish her all the best at her new school!"

As for a student's perspective, I first met Tab in Year 8 for Humanities. Even though I had her for only a semester, four years later I'm still annoying her, emailing her and giving her riddles every day."

Book Review

From The Public Library

THE HAWTHORNE LEGACY By Jennifer Lynn Barnes

Background Information:

The Hawthorne Legacy is a fiction mystery novel full of romance, drama and secrets. Part of a series called *The Inheritance Games*, The book was published on July 9, 2021, and IS recommended for readers aged 13+.

Plot Summary:

One step forward.

Avery thought solving the riddle left by billionaire Tobias Hawthorne would reveal why he left her – a complete stranger – his entire fortune.

Two steps back.

As cryptic clues take an unexpected twist and the handsome and enigmatic Hawthorne grandsons pull her in different directions, Avery can't help but wonder who she can trust and who is just looking out for themselves.

What happens when the truth just hides more secrets?

Avery soon realises this game is no longer just about money and power. Now she's playing for her life.

My Review:

I got the book the same time I purchased the first book in the series, and the moment I finished the first book the second was in my hand. The two books were very similar, in terms of characters, settings and having a mystery that could be read multiple times.

My favourite character was Avery, because her personality was one I would want, and being in Avery's position is something many people, including me, would want.

The mystery in this book was one on a whole other level and the emotions of Avery were so well thought out and described that they lifted Avery to a whole new level.

There were many more settings in this book than there were in the previous book and that escalated the plot.

I enjoyed the second book just a little more than the first one.

My rating:

9.7 / 10

Review by Anshika Handa

THE BOGGLE CHALLENGE

Can you solve me?

The first homegroup class to find an 11-letter word and submit their answer to secondarynewsletterteam@manorlakesp12.vic.edu.au will be awarded "The #1 Homegroup" certificate, as well as full bragging rights.

Put your minds together and take up the challenge!

NEW SCHOOL PODCAST:

WHO SHOULD WE INTERVIEW?

Manor Lakes College will hit the airwaves this term when we launch **Manorisms: The Manor Lakes P-12 College Podcast**. (The cover art above was expertly designed by our digital learning leader, Michael Poke.)

The show will feature interviews with some wonderful people in our school community (teachers, staff, past and present students, parents, and anyone else with a connection to the school) who have achieved good things, who have had interesting experiences, or who just have good stories to share that will engage, enlighten, entertain or inspire.

We want to uncover as many of these stories as possible, so we'd love your help. Who would you like us to interview? Please email your suggestions, along with a brief explanation of why they would be a good interview candidate, to podcast@manorlakesp12.vic.edu.au.

Thanks in advance,
The Podcast Team

JOIN OUR TEAM!

Do you like **WRITING**, **GRAPHIC DESIGN** or **PHOTOGRAPHY**? Would you like to write reviews of **VIDEO GAMES** you play, **MUSIC** you love, **MOVIES** or series you watch, or **BOOKS** you read? Would you like to share with the school community your **ARTWORK** or other schoolwork, **PASSION PROJECTS**, **HOBBIES**, **INTERESTS** or **ADVENTURES**? If you answered yes to any of these questions...

The Secondary Newsletter Team wants to make the newsletter the best product we possibly can – a publication we can all be proud of – but we need more helpers. So we're looking for students to create a variety of content.

If you're feeling inspired, perhaps you could start work on your first piece of content. Write about a family holiday, a day trip you enjoyed, or any adventures you've experienced. Write a review. Take some snaps. Create a fictional narrative or a poem. Write about a topic you're interested in. You decide. Let your imagination run wild.

If you're keen to create content and share it, and perhaps **learn a few skills to add to your CV**, the Secondary Newsletter is the forum for you.

Contact us at secondarynewsletterteam@manorlakesp12.vic.edu.au.

Thanks

The Secondary Newsletter Team
