Dear parent/guardian,

Manor Lakes P-12 College is looking forward to another great year of teaching and learning and would like to advise you of Manor Lakes P-12 College's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Your ongoing support will assist with the establishment of garden beds as part of our sustainability and environmental program. It will also contribute to the development of our digital media programs and performing arts events, enabling us to expand and enhance these experiences for our students and community.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Tori Mulligan

Executive Principal
