Principal's Welcome

Welcome to Manor Lakes P-12 College

Dear Year 7 students,

It is with great excitement that I welcome you to our school community. Beginning secondary school is a significant milestone in every young person's educational journey, and we are honoured to be part of this important chapter in your lives.

Research tells us that the transition from Year 6 to Year 7 is one of the most significant – and sometimes most challenging – periods in a student's schooling. It's a time of new routines, new friendships, and new opportunities. We are working hard to ensure every student feels supported, confident, and ready to thrive as they make this exciting move into secondary education.

This Student Handbook provides key information about our programs, routines, and supports – without overwhelming you with too much detail all at once. Please do not hesitate to contact the College if you have any questions – we are here to support you every step of the way.

We look forward to working in partnership with you as you begin your secondary school journey – one that fosters growth, connection, and success.

Warm regards,
